

This is a repository of publicly available legal notices and documents governing the services and products provided by Mirantis to our customers and business partners.

Online versions of these documents are not negotiable. However, if you require more flexibility, contact our [sales team](#) to learn about our premium products and services at certain levels where we offer more room for custom agreements.

Additional documents for our partners, resellers and distributors may be found on our [Partners page](#)

Copies of our documents for the Docker and Lens products prior to our acquisition in 2020, which are no longer in use, can be found [here](#),
